CAREER OBJECTIVE

B.Tech Information Technology student with a foundation in Java, OOP, and front-end web technologies, who builds and deploys projects with HTML, CSS, and JavaScript. Problem-solving mindset and eager to grow through structured engineering roles.

TECHNICAL SKILLS

- **Programming:** Java, OOP, Data Structures
- **Languages & Web:** HTML, CSS, JavaScript
- **Framework:** Bootstrap
- **Tools:** Git, GitHub, GitHub Pages

PROJECTS

Personal Portfolio Website (HTML, CSS, JavaScript)

[Live](#) | [GitHub](#)

- Built a single-page portfolio with animated section transitions (Home, About, Portfolio, Contact) driven by vanilla JavaScript, with no libraries.
- Implemented a light/dark theme toggle using CSS custom properties, plus skill progress bars, hover-reveal project cards, and a contact form layout built with CSS Grid and Flexbox.
- Version-controlled with Git and deployed on GitHub Pages.

Simon Says Game (HTML, CSS, JavaScript)

[GitHub](#)

- Built a browser-based memory game that replays and extends a random colour/sound sequence each round, using vanilla JavaScript for game-state logic and the Web Audio API for tone generation.
- Implemented an async playback engine (sequence display, input validation, scoring, and game-over handling) with no external libraries or audio files.
- Designed a responsive, theme-aware UI (light/dark mode) with CSS Grid and smooth pad-lighting animations.

Spotify Clone (Frontend) (HTML, CSS, Bootstrap)

- Recreated the Spotify web interface layout (navigation, playlist cards, player bar) using only HTML, custom CSS, and Bootstrap's grid system, with no JavaScript.
- Focused on responsive design and pixel-accurate component styling across devices.

LEADERSHIP EXPERIENCE

Public Relations Lead & Event Organiser — Robonixx Club, BCET

2023 – Mar 2026

- Coordinated 3+ technical events end-to-end, managing logistics, promotions, and stakeholder communication.
- Built and maintained relationships with external partners and sponsors.
- Grew club outreach to 50+ external contacts through consistent communication.

EDUCATION

B.Tech — Information Technology, Bengal College of Engineering & Technology, Durgapur

2023 – 2027

Currently Pursuing | CGPA: 7.42

Class XII — Science (PCM), SSNMS Inter College, Dhanbad (JAC Board)

2022

Score: 84%

Class X, Jawaharlal Nehru Memorial Senior Secondary School, Dhanbad (CBSE Board)

2020

Score: 84.21%

ACHIEVEMENTS & MEMBERSHIPS

- **1st Position** — Inter-College Photography Competition, BCET (2023–24): recognised for creative composition and visual storytelling.
- **Student Member**, Institution of Electronics & Telecommunication Engineers (IETE) — BCET Chapter (2023–Present): active participant in technical seminars and workshops.
